CAREER OBJECTIVE

Statistics graduate seeking an opportunity in the banking and financial sector. Offers a foundation in numerical analysis, data preparation, reporting, and problem-solving through academic research and dashboard projects. Familiar with Microsoft Excel, Word, PowerPoint, Access, Power BI, R, SPSS, with a strong willingness to learn banking operations, maintain accurate records, and support customer focused service.
Currently Developing Advanced Excel, Power BI, SQL & Python Data Analysis in Tutorials Point BD.

ACADEMIC / EDUCATION

Exam Title : SSC
Concentration/Major : Science
Institute : Paikgacha Govt. High School
Result : 4.82 out of 5.00
Passing Year : 2017

Exam Title : Bachelor of Science (BSc)
Concentration/Major : Statistics
Institute : University of Barishal
Result : 3.33 out of 4.00
Passing Year : 2023 **Duration :** 4

Exam Title : HSC
Concentration/Major : Science
Institute : Paikgacha Govt. College
Result : 4.92 out of 5.00
Passing Year : 2019

Exam Title : Masters of Science (MS)
Concentration/Major : Statistics
Institute : University of Barishal
Result : 3.61 out of 4.00
Passing Year : 2024 **Duration :** 1

CORE SKILLS

Numerical accuracy, quantitative analysis, data interpretation, and problem-solving.
Microsoft Excel: Data Cleaning and Formatting, Sorting and Filtering, Data Validation, Formulas and functions **(IF, SUMIFS, COUNTIFS, AVERAGEIFS), XLOOKUP/VLOOKUP, Pivot Tables, Pivot Charts, Conditional Formatting, KPI analysis, Data Visualization and Dashboard Development.**
Microsoft Word, PowerPoint, and Access
Power BI, DAX, KPI reporting, and data visualization
R programming, SPSS, Python, and statistical analysis
Record keeping, customer service, communication, teamwork, and integrity.

ACADEMIC RESEARCH & PROJECTS

1. **Thesis: The Role of Online Banking in Promoting Financial Inclusion in Bangladesh.**

Thesis Researcher | Dec 2025 – Jun 2026 | **View**

- Prepared and analyzed secondary data from Bangladesh Bank to examine the role of online banking in financial inclusion. Applied statistical and time-series methods to interpret patterns and support evidence-based conclusions.

Tools: R, Excel, SPSS, Microsoft Word

2. Project: Research on Students' Views of the Outcome-Based Education (OBE) Curriculum

Researcher | View

- Analyzed students experiences and perceptions of the OBE curriculum using statistical methods, including regression and chi-square tests. Interpreted findings to strengthen data analysis, problem-solving, and evidence-based decision-making skills.

Tools: *R, Excel, SPSS, Microsoft Word*

3. Sales Dashboard | Power BI

Dashboard Developer | Oct 2026 | ***View***

- Developed an interactive dashboard to analyze sales, quantity, profit, profit margin, monthly trends, product/category performance, sales types, and payment methods. Presented KPI summaries of 366.62K sales, 4K quantity, 34K profit, and 10% profit margin through interactive visualizations.

Tools: Power BI, DAX, data visualization, interactive reporting

4. **HR Analytics Dashboard | Microsoft Excel**

Dashboard Developer | Oct 2026 | ***View***

- Built an interactive workforce dashboard covering total and active employees, attrition, average age and experience, and attrition patterns by salary, gender, overtime, job satisfaction, and years since promotion. Summarized 1,417 employees, 1,186 active employees, 231 exits, and a 16.30% attrition rate; reported average age of 36.94 years and average work experience of 7.04 years.

Tools: Microsoft Excel, charts, KPI reporting, interactive filters

TRAINING & CERTIFICATION

Title : Basic Computer Training | **Provider:** Global IT Institute & Computer Training Center, Barishal | **Completion year:** 2024 | **Duration :** 01 January 2024 – 30 July 2024 (212days) **Grade :** A+

ADDITIONAL INFORMATION

Father's Name	:	Sukanto Roy
Mother's Name	:	Bandona Roy
Date of Birth	:	23 September 2000
Gender	:	Male
Marital Status	:	Unmarried
Religion	:	Hinduism
